

Northville Beach Civic Association Scholarship

2024

NBCA proudly invites applications from ALL members and relations to members, who:

1. Are enrolled in or about to enter college
2. Are enrolled in or about to enter a graduate degree program
3. Are enrolled in or about to enter a vocational (trade school)
4. (New category) high school juniors who are about to enter their senior year of high school.

Those who previously submitted essays but were not selected, are urged to reapply if eligible.

As of 2023, the Scholarships have been increased to \$1000 for first place and \$500 for second place.

The essay is an opportunity to put into words what Northville Beach, this very special place, means to the applicant. Topics can range from fond memories; to environmental or preservation concerns.

The Scholarship Committee is looking for a clear and concise essay that captures the essence of what Northville means to you. The Committee reads and rereads each essay to determine if that feeling transcends the words and gets to the true meaning and lasting impression of this special place and more importantly, conveys that to the reader.

The scholarship is not encumbered. It can be used towards books, tickets home, food, data charges or gas. Whatever needs or wants the applicant may have.

Completed Application & Essay are due by July 15, 2024. We plan to announce the selected essay(s) in July/August and have the selected essay(s) read at the Annual Scholarship/Cocktail Party.

DEADLINE: July 15, 2024~~Member's dues must be current for eligibility.
